- **IF** ALL 2013-14 school bill/fees are not paid in full by April 18, 2014, the student will NOT be eligible to be accepted for the Ed Choice Scholarship by MCS.
- Any requests for a student to be in a particular classroom K-5 for the upcoming academic year must be made in writing to the administration prior to June 1, 2014. Each request must include specific reasons why the parent is making a request. All requests may not be able to be honored (if this happens, you will be notified.) Classes that consist of more than one homeroom are divided based upon many different factors. These may include boy/girl ratio, teacher recommendation, academic performance, personality, or simply by alphabetical last names in older grades. The process of making class lists is done with care and prayer by the school administration.
