K-12 Iowa Testing - May 1-5

Dear MCS parents,

During the week of May 1-5, MCS will be giving the IOWA Assessments to all students in grades K-12. This test enables both parents and MCS to track achievement in learning.

In the high school classes, the state of Ohio has allowed us to use the IOWA testing scores to enable our students to complete the necessary state graduation requirements in place of the Ohio end-of-course exams.

Students in grades K-12 will take the entire IOWA battery of tests for their grade level. This includes the 8th grade Algebra 1 class.

School hours will remain the same for all grade levels. The elementary classes (grades K-5) will be taking the tests on the individual classroom teacher's schedule. The middle and high school grades will be on a special class schedule during this week. However, all students need to report to homeroom at the regular school time beginning each day. Please do not schedule student appointments that would cause them to miss class time that week.

It is important that all students be on time each day, well-rested, and have had a good breakfast

each morning so that they will be well-prepared and able to do their best.

If you have any questions about the IOWA testing week, please email (morin@mcseagles.net) or call Mr. Morin at extension 1250.
