First Day of School - August 16

We can't wait to see you on Wednesday, August 16 for the first day of school at MCS!

From The Dean of Academics

Middle School & High School Schedules

We are excited to welcome students and families back for the 2023-24 school year. We've been working hard to get things ready on campus. Our middle school and high school schedules are available on the FACTS family portal for you to view. High school families, please feel free to reach out with any questions or changes you'd like to make to your schedule.

Dustin Brown
Dean of Academics

New Faculty & Staff Updates

High School English - Mrs. Kelly Kidd

We are pleased to announce Mrs. Kelly Kidd as our new high school English teacher. Mrs. Kidd grew up in a pastor's home and accepted Christ as her Savior at a young age, but she truly grew in relationship with Him after graduating high school. Mrs. Kidd graduated from Miami University with a bachelor's degree in secondary English literature. She has been teaching English for the past 10 years and most recently high school English. She is excited to educate students with a biblical worldview and to share Christ with them. She and her husband have two children, a 7th grade student and a three-year-old. Please welcome her to the MCS family!

Elementary Athletics Coordinator & Life Skills Teacher - Mrs. Monica Gross

We are also pleased to announce Mrs. Monica Gross as our new elementary athletics coordinator and life skills teacher. She grew up in a Christian home and accepted Jesus Christ as her Savior at a young age. Mrs. Gross graduated from Shawnee State University with a bachelor's degree in social sciences and minors in communications

and political science. This past school year she has served as a short-term substitute in high school computer and subbed throughout the school year as needed. She is passionate about MCS and excited to connect with families by coordinating volunteers and elementary athletics. In addition, she wants to share Christ with her students and see them grow in their walk with Him. She has a second grader (Emerson), sixth grader (Adelyn), eighth grader (Gavin) and ninth grader (Mason) who attend MCS. We are looking forward to her continuing to serve in the ministry. Please welcome her as she transitions into her new role.

High School Math - Mr. Mark Kobert & Mr. Calvin Lewis

We are excited to announce Mr. Mark Kobert as our short-term substitute high school math teacher. He recently retired this past school year after 16 years of service at MCS. He will be starting the school year teaching remotely via Teams. We will have him live in Geometry, Consumer Math, and Algebra 1 each day, with the help of Calvin Lewis in the classroom. Mr. Lewis is a 2014 alumni of MCS and started helping Mrs. Masters in middle school math at the end of last school year. He also helped throughout the summer in the middle school math program. We are grateful for Mr. Kobert and Mr. Lewis being willing to get the school year started.

Band - Ms. Nedra Kaufman

Lastly, Ms. Nedra Kaufman will be covering band classes to start the school year. She joined us last school year and has done a great job teaching orchestra and elementary music. She grew up on the mission field in the Philippines and repented of her sin and accepted Christ as her Savior at a young age. She received her bachelor's degree in music and Bible from Clarks Summit University. She also has her master's degree in vocal performance from Bowling Green State University. She has been involved in music and education as a teacher and teaching private lessons for over 20 years. She has also been an adjunct professor at Cedarville and Wright State University. She has an eighth grader (Tim) and a tenth grader (Hannah) at MCS. We appreciate her willingness to serve in this area.

MCS International Students Host Families Needed

ICES is excited to bring 2 new international students to MCS for the 2023-24 school year. Would your family be willing to share your home and help make these students dreams come true? We would love to talk to you about being an American host family. Go to mcseagles.net/mcs-international-students-host-families-needed to learn more about the two students and how you can get involved.

School Supply Lists Are Available
