New Mobile Classroom Unit for Intervention

A Message From Our Superintendent

We are grateful to the Lord for his faithfulness to MCS for the past 50 years and looking forward to another 50! As we prepare for another school year, the Lord has blessed us with new families which has led to growth in several areas. One of those areas is classroom space; as a result, we will be moving our intervention classes into a new mobile unit directly behind the school building. Mrs. McBreen, Mrs. Wicker and Mrs. Spradling will be using the space for this school year. Looking forward to a great year!

Brian J. Williams

Superintendent
