MCS Weekly News Moves to Bi-Weekly for the Months of June & July

The MCS Weekly News has moved to bi-weekly publications during the months of June and July. The next edition will be shared on July 13. We will move back to weekly publications of the MCS Weekly News in August.

Welcome To Our Newest MCS Administrators

Middle School & High School Principal - Mr. Allyn Atadero

It is our pleasure to announce Mr. Allyn Atadero as our new middle/high school principal for the upcoming school year. He grew up in a Christian home and accepted the Lord as his Savior at a young age. Mr. Atadero is a retired physical education teacher from Colorado after teaching for over 30 years. Throughout his career he has had a myriad of experience in administration, including six years as an athletic director and principal of a summer school program. He and his wife moved to the area a couple years ago, and he has been subbing at different schools. He graduated from California State University Fullerton with a bachelor's degree in physical education and received a master's degree from American Intercontinental University in education. He taught in California for 11 years and then moved to Colorado to continue teaching

and later retiring. In his career he received middle school teacher of the year in physical education in the state of Colorado as well as other awards within his school district of 8,000 teachers. He has a passion for students and started subbing at MCS at the end of this past school year to get to know the staff and students, since he was initially hired as our new PE teacher. He is excited to influence students for Christ at MCS. Please welcome him to the MCS family as he starts his new role on July 10.

Dean of Academics - Mr. Dustin Brown

We are also pleased to announce Mr. Dustin Brown as our new Dean of Academics. He grew up going to church with his aunt and uncle, and he heard the gospel of Christ in middle school when he attended a Bible Bowl. It wasn't until high school that he accepted Christ as his Savior. His desire is that each student develops a passion for the Lord and finds His will for their life. He graduated from Wright State University with a bachelor's degree in mathematics education (middle school). He also has a master's degree in education from Wright State. Mr. Brown has been teaching middle school math for the past five years; prior to that, he served as a student ministries pastor for seven years. He is also a former bowling coach and avid bowler. He has three official 300 (perfect) games! Mr. Brown and his wife are from the Dayton area and have two children, an incoming 7th grader and 4th grader. We are excited for him as he provides guidance and direction to our students and parents as they prepare for life after MCS. Please welcome him to the MCS family as he starts his new role on July 10.
