Students will be responsible for all material covered within each first semester class. There will be one review day required to be given by all teachers on Thursday, December 14. Specific reviews in content areas will be given at the teacher's discretion. You will notice on the exam schedule that there is a half an hour period before each exam for students to ask questions about any study material they might not have fully understood. Students must be in attendance for these study times as well as for the exam time. Exams will be counted as 20% of the final semester grade; therefore, first nine weeks is 40%, second nine weeks is 40% and mid-term exam is 20% of the final semester grade.

Ninth and tenth grade students will be required to be in attendance at school the entire exam days, unless no other exams are scheduled for the remainder of that day and a parent or guardian signs them out in the office. Lunch will be served each day as normal.

Eleventh and twelfth grade students who drive will be allowed to arrive at school during those times they have a scheduled exam (must arrive for the study hall prior

to the exam); they will only be allowed to leave when they have no other exams for the remainder of that day. They must sign in and out with the office. Students who do not drive or who do not wish to leave will have supervised study rooms when they are not in a scheduled exam.

It is our desire to fully prepare students for their advanced education. We believe that final exams help to prepare students for their future academic goals. Hopefully, this letter will help your family adequately prepare for any changes to your schedule and enable you to make the necessary accommodations for a successful exam week.

- You may have to go back and select All other Photos again to view the photos that you uploaded
- Select the photos you just added and select the bottom-right button
- Choose Continue
- Enter your name and email address and click Submit
- You will receive an email notifying you that your pictures were submitted

Please feel free to email Mrs. Hester at ahester@mcseagles.net if you have any questions. You may also send pictures to Mrs. Hester at this email if it is easier.
