GRADES K-12

IOWA TESTING

APRIL 22-26

MIDDLETOWN
CHRISTIAN SCHOOLS

Dear MCS parents,

During the week of April 22-26 MCS will be giving the IOWA Assessments to all students in grades K-12. This test enables both parents and MCS to track achievement in learning.

In the high school classes, the state of Ohio has allowed us to use the IOWA testing scores to enable our students to complete the necessary state graduation requirements in place of the Ohio end-of-course exams.

Students in grades K-12 will take the entire IOWA battery of tests for their grade level. This includes the 8th grade Algebra 1 class.

School hours will remain the same for all grade levels. The elementary classes (grades K-5) will be taking the tests on the individual classroom teacher's schedule. The middle and high school grades will be on a special class schedule during this week. However, all students need to report to homeroom at the regular school time beginning each day. Please do not schedule student appointments that would cause them to miss class time that week.

It is important that all students be on time each day, well-rested, and have had a good breakfast each morning so that they will be well-prepared and able to do their best.

If you have any questions about the IOWA testing week, please email

(dustin.brown@mcseagles.net) or call Mr. Brown at extension 1188.

Thanks for your time,

Dustin Brown
Dean of Academics

Staff Updates

Reading Intervention - Mrs. Danielle Brown

We are pleased to announce that Mrs. Danielle Brown will be transitioning to Reading Intervention for upper elementary and middle school (part-time) next school year. Mrs. Brown has a bachelor's degree in elementary education (grades 1-8) from Miami University and 20 years of experience as an educator. She implemented the Reading First Initiative as the Literacy Data Manager and Resource Coordinator at Middletown City Schools for grades K-5 and taught 7th grade Language Arts prior to coming to MCS. For the past five years, she has taught 2nd and 4th grade. Mrs. Brown is looking forward to this new role, so please encourage her as she transitions. Mrs. Rosa and Ms. Azbill will continue teaching 4th grade next year, and we will be posting for a third section of 5th grade.

Thank you Mrs. Spradling for your faithfulness to the Lord and serving our students at MCS! You will certainly be missed. Congratulations on your retirement!

Fifth Grade - Mrs. Lisa Cobb

We are pleased to announce that Mrs. Lisa Cobb will be returning as one of our 5th grade teachers for next school year. She will continue to work closely with Mrs. Ryan and the new 5th grade teacher. Mrs. Cobb has a bachelor's degree from The Ohio State University and has been a sub and teacher at MCS for the past twenty years. All of her children have graduated from MCS, and she is a big supporter of the school. She loves to teach and is excited to continue to serve our students in this role.

Second Grade - Mrs. Beth Bussey

We are pleased to announce Mrs. Beth Bussey as our new 2nd grade teacher next school year. She is currently filling in as the short-term sub in 2nd grade for Mrs. Winslow who is on maternity leave. Most importantly, she knows Jesus Christ as her Savior and is devoted to His leading in her life. She was raised in a Christian home and accepted Christ at a young age. Mrs. Bussey graduated from Mid-America Christian University with a bachelor's degree in early childhood education. She has five years of teaching experience in 2nd and 3rd grade as well as being a reading specialist for grades K-5. She and her family moved back to the Middletown area this past fall to be closer to family. Her husband (A.J.) is the assistant boys varsity basketball coach. They have a young daughter who is not yet of school age. Mrs. Bussey is looking forward to continuing to have the opportunity of sharing Christ with her students; please welcome her as she transitions to a full-time position next year!
