Lego Drive

MCS Family,

I wanted to say thank you for participating in this year's Lego drive! This means so much to our family and is a special way to remember our sweet boy, Porter. This year we were able to donate 170 sets of Legos to the Child Life/Starshine program at Cincinnati Children's Hospital! The special individuals in this department work closely with families during difficult appointments, lengthy hospital stays, ER visits and in home care. Members of their team cared for Porter in his last weeks and continue to visit our family monthly. The kindhearted staff is a great help to us emotionally and mentally as we walk through this new life without our son. To be able to give back in this small way brings joy to our hearts! Your donations will end up in the hands of patients, their siblings, and families just like ours. With each Lego set, the family will receive this special note from our family:

MASTER BUILDER

Our son, Porter was a master builder of legos!
Especially, Ninjago and Star Wars sets.

The hours he spent building and playing during his illness,
brought him and his sister so much joy and comfort.

He always gifted a set to his friends or cousins and
was the first to show them how to build it.
We know our sweet boy would want you to have one too!

We hope that every time you see a Lego piece you think
of Porter and are reminded that you are
loved and prayed for.

Happy building!
Love,
Zach, Amy and Lola Sowards

Thank you for honoring Porter!

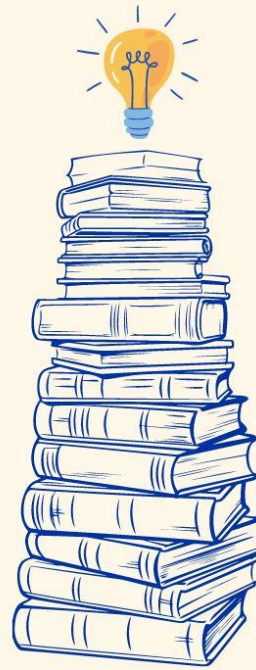

Love,
Zach, Amy, and Lola Sowards
