PRINCIPAL UPDATE FOR 24-25

We are pleased to announce that for the 24-25 school year, we will be reorganizing our principals for grades K-12. We are moving to a three principal model: grades K-4, 5-8, and 9-12. We have posted for the K-4 position; Mr. Atadero will be the Principal for grades 5-8 and Mr. Brown (current Dean of Academics) will be the Principal for grades 9-12. Mr. Atadero will be overseeing athletics, while Mr. Brown will still be filling the Dean of Academics role with some administrative assistant support. Fifth grade students and families will now go to Mr. Atadero; however, fifth grade is still considered elementary and will be included in the elementary schedule, recess, chapels and lunch times. Having grades 5-8 with the same principal will better assist students and families with the transition from fifth to sixth grade. There are some collaborative things we would like to start including the fifth grade students in as they prepare for sixth grade. We are grateful for the faculty and staff that the Lord has led to MCS and we are excited about next school year as we finish this year strong!
