**EAGLES GIVE BACK SIGHTING - LIBERTY KITTLE**

One of our 6th graders, Liberty Kittle, led worship at her home church, Berachah Church, last Sunday!

"It's always a great day to be an Eagle, but especially when you see students leading others in worship!!" - *Middle School Teacher, Monica Gross*

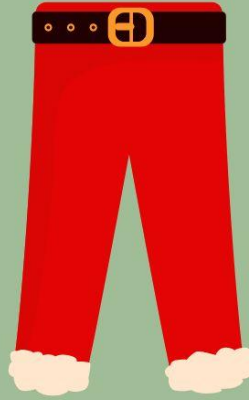

This is the first of our Eagles Give Back Sightings. If you see an MCS student serving the Lord at their church or in their community, please email [advancement@mcseagles.net](mailto:advancement@mcseagles.net) and tell us about it!

## VISION SURVEY UPDATE

The Middletown Christian School Board began the process of a new vision plan by engaging an outside consultant to review all aspects of the school and then present any recommendations to the Board. This process began last spring with individual interviews of Board members and administrative personnel. A detailed survey was sent to all teachers (including the ELC), after which a series of collaborative conversations were held to delineate and expand upon their feedback. Parents were surveyed electronically; each response was thoroughly evaluated and became a significant part of the overall vision document. High school students were also given a survey to complete, which helped us better understand their perspectives. To see the results, click [HERE!](#)
