**THE CARTER FAMILY GOES TO THE 2025
PRESIDENTIAL INAUGURATION**

One of our MCS families, the Carters, went in person to the 2025 Presidential Inauguration! Miles Carter is a 3rd grader in Ms. Martin's class this year.

"Although different than expected, getting to experience the inauguration of President Trump and Vice President Vance in person is something we will never forget. We were able to witness history in a way that few people get to do. It gave us a new perspective and education on how government works and the associated processes. It no longer was just a newspaper article or a report on TV. We got to experience it by being a part of it. That's a surreal feeling." - *Kelley Carter*
