PARENT/GUARDIAN STEPS

1. Register your students on mybooster.com on 4/14/2025
2. Share with friends and family using the “Share” button

Donors give online, saving volunteers hours and helping schools collect funds faster. Donors can give a flat amount or a per lap donation. If a donation is per lap, their card is processed after the event. Cash and check payments are still accepted! These must be turned in to your child’s homeroom teacher. Your student will still get credit for the donation.
