SALUTATORIAN - JONATHAN STONER

Our 2025 Valedictorian is Reagan Worthington, who was highlighted in last week's constant contact. Our Salutatorian this year for the class of 2025 is Jonathan Stoner! To learn more about Jonathan read below:

What do you love about MCS?

The biggest thing that I love about MCS is the Christian environment. It might be the obvious answer, but it's what sets us apart from other schools. I may not completely agree with the Biblical beliefs of every person around me, but it has never been a fight, only genuine curiosity and an opportunity for spiritual growth and knowledge on both ends. From the hallways to the sports gyms, you can really tell how much that environment impacts us all in a positive way.

What was your favorite thing about this school year?

My favorite thing about this year was the opportunity to go on the Senior trip. We did a ton and had lots of fun even though it was tiring, and I believe that we were all able to get to know each other better as individuals and grow closer together.

What is your favorite Bible verse?

Jeremiah 29:11 - For I know the thoughts that I think toward you, saith the LORD, thoughts of peace, and not of evil, to give you an expected end.

What scholarships have you won?

I have won the Green and Gold scholarship from Wright State University, as well as the James and Becky Parks #24 Eagle Award from Middletown Christian.

What college/university will you be attending and what will be your major?

I will be attending Wright State University for Mechanical Engineering in the Fall.

Is there anything else that you would like to share about yourself, your time at MCS and your plans for the future?

I would just like to say that even though there have been some rough patches, both athletic and academic, for the most part I have thoroughly enjoyed my time at MCS, and I look forward to heading into the next stage of my life with college and my career.

High School Graduation will take place TONIGHT at 7 PM in the GBC Auditorium.
