Our next Eagle Spotlight is Kelly Kidd! Mrs. Kidd is one of our High School English Teachers. A fun fact about her is that she was involved in theater at Miami University. For her final theater class, she took part in a play writing experience, and she had a role in the live performances. We are so grateful to have Mrs. Kidd at MCS!

## PARENT PULSE SURVEYS

MCS Families,

At MCS, we seek to constantly evaluate our school from multiple perspectives, all in an effort to make this an even better place for your child and your family.

Because the parent perspective is so important to us, we've partnered with ParentPulse, a company that specializes in collecting feedback for Christian schools. You can learn more by watching a 60-second video, to watch click [HERE](#).

Going forward, each parent in our school will receive an invitation every few months to respond to a short survey. These surveys will be staggered – parents will receive the invitations via e-mail or text at different times.

We simply ask that you'd take five minutes to complete the survey. Many schools only send one (longer) survey each year, but we want to capture your thoughts and feelings in shorter surveys – and at multiple points over the year – so we can understand how things are evolving and how we can best adapt!

So, please be on the lookout for an e-mail or text from ParentPulse. The subject line will clearly identify Middletown Christian Schools.

The information you provide is collected solely for our analysis, and your personal contact information will not be used or shared by ParentPulse.

Thank you for partnering with us in Christian education!
