MCS FEASIBILITY STUDY SURVEY

MIDDLETOWN
CHRISTIAN SCHOOLS

**BUILDING
ON DECADES
OF FAITH—
EQUIPPING
THE NEXT
GENERATION**

This prospectus details Middletown Christian Schools' vision for the future and plans for expanded facilities to serve the next generation of students.

We invite everyone who values the mission of Middletown Christian Schools to partner with us in this important endeavor.

MCS is presently conducting a Feasibility Study with an outside consulting company DickersonBakker to consider a possible expansion of our building. All families will receive an online survey the week of April 7 to help DickersonBakker gather the data they need to complete their study. More details will accompany the survey and will be sent electronically to families from the MCS Advancement Department.

All results of the survey will be analyzed by DickersonBakker and all responses are strictly confidential. No member of the Board or MCS Staff will see or learn of any individual responses, nor will any names be mentioned in the written or oral report of the study findings.

Please note that the results of these surveys will not be reported publicly, as it is being used for the sole purpose of the feasibility study by DickersonBakker. This survey is not part of our new survey program conducted by the MCS Advancement Department through ParentPulse. Our spring survey with ParentPulse is still open, and results of that survey will be communicated to the MCS community by the end of the school year.

WALKATHON 2026

MIDDLETOWN CHRISTIAN WALKATHON

APRIL 15 2026

Walkathon 2026 will take place for all students in grades K-12 on April 15th at Armco Park. We are now in our fundraising stage, which will extend through April 15.

We have a goal of raising \$20,000 for our MCS Scholarship Fund! We want to reach students who would otherwise not have an opportunity to attend or remain at MCS. Let's be a blessing to families as they pursue the gift of a Christian education for their students!

Folders were sent home with your students before Spring Break. There is the option to donate online or with cash or check. In order to get credit for online donations towards earning prizes, you must record those donations on the fundraising folder. Please plan to return the fundraising folders to Homeroom teachers on Wednesday, April 15th.
