PARENTPULSE Q1 SURVEY REMINDER

Our Q1 ParentPulse Survey sequence started on October 21. This survey is going out to all parents of MCS students via email. The survey cycle lasts 30 days and will conclude on November 20. These surveys trickle out over the 30-day cycle, with 56% of the surveys having been delivered to our MCS parents to date. All links to the survey are good for 15 days from the date that they were sent. Please check your inbox and complete the survey as soon as possible. If you don't see it in your inbox, please check your junk mail. It will be sent from ParentPulse on behalf of MCS. If you have not seen the survey link yet, don't worry, you will receive it between now and November 20. We want to hear from you about your family's experience here at MCS! This is one of 3 parent surveys that will be sent out throughout the school year and we want to hear from you during each survey cycle. We presently only have a 14% response rate to this present survey and at least 20% is needed in order to trust the reliability of the data. Please complete your survey today and if you have any questions, please contact advancement@mcseagles.net. For more information about the ParentPulse survey, please click HERE to read our previous communication from a few weeks back.
